The screenshot displays a mobile application interface with a dark theme. At the top, there is a navigation bar with a back arrow and a search bar. Below the navigation bar, the main content area is divided into two columns. The left column contains two summary cards: 'Total Returns' with a value of 50, and 'Total Quantity' with a value of 5502. The right column contains two summary cards: 'Total Sales' with a value of 844K, and 'Total Profit' with a value of 844K. Below these summary cards, there are two filter sections. The 'RegionName' filter section has a dropdown arrow and three options: 'East', 'North', and 'South'. The 'Category' filter section has three options: 'Furniture', 'Office Supplies', and 'Technology'. Each option is preceded by a square checkbox.
